123 Finally Mary-san

"It's Mary-san. I'm at the station right now."
One day, someone suddenly gets a phone call from a number they've never seen.
A phone call from Mary-san.
It's a famous urban legend.
The person on the phone slowly gets closer and closer to them.
And then...
Feeling confused, they hang up the phone, but another call comes soon after.
ring
ring
Gulp
Anyway.
I didn't believe in those kind of stories...
Once they turn around, it's over.
They get stabbed and killed with a kitchen knife.
I'm right behind you.
It's me, Mary-san.
Fwooo
Right now.
Mary-san is.
But it seems she's right behind me.
ウ

I don't recall getting a phone call from anything like a Mary-san.

Glance

But hang on a minute.

@yoheyhey999 Good work on your manuscript!

Instead...

I got them as replies on twitter!

Bwaaan

Wait, I've been pulling all-nighters for some time...

I'm probably just hearing things.

Fufu

Hmm?!

Isn't that a bit easy-going?!

Coming like that?!

Ahh, it's no good.
I hear it really clearly.
I'm right behind you.
Mary-san is here
Hey, hey!
I told you I'm here
Jump
Eek!
Ahh, enough.
I'm gonna stab you.
All right, I'm gonna stab you.
Here I go.
Fzzz
What should I do?!
As I recall, Mary-san is...
supposed to stab you with a kitchen knife when you turn around, right?!
Wait!
Hang on!
Fwah

Poke

Grin
Got you.

Rattle
No, wait!

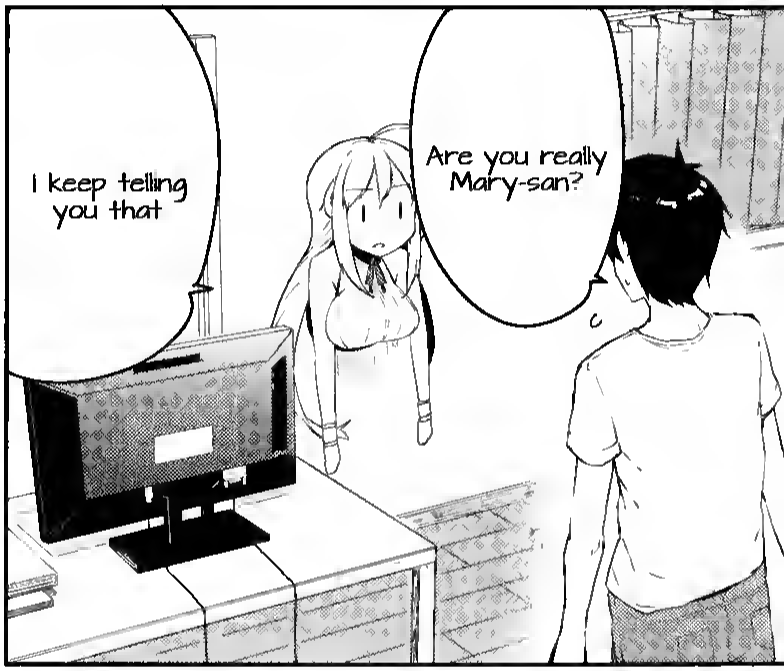
Glow
Well, this makes me panic a bit.
Getting stuck in the wall as a ghost.
Eh...
Well...
I don't really get what's going on

No... wait a minute
There are a number of things I want to ask.



Are you really Mary-san?
I keep telling you that

Grin
Because twitter is handy
I can find someone to do in pretty quickly
Using it like a dating site...

Um...
Fsh
Why did you use twitter?

Anyway, could you pull me out?
I got stuck like this because you were sitting by the wall
It's my fault?!
Slump
Wait, wait!
If you get out of the wall, you're going to kill me, right?!
Of course
Grin
Pzzzzzz
I'll very brutally
and cruelly kill you.
You're going to die here.

...Hm?
In a societal sense.

Look.
Pin
The current trend among evil spirits is to kill people in a societal sense.
Just killing someone is old-fashioned.

All right.
Look at this
?
Pull
Not at all
Do you understand now?
Okay!
I understand now!
Klak
Klak
I'll say something embarrassing on your twitter
and kill you in a societal sense!

.....
If you get that close.
you'll be killed.

ズッ

Whatever, do what you want...
W-
.....
My parents were against me trying to become an author.
Telling me to stop doing something so worthless.
If even spirits reject my work...
There's no reason to keep living...!

Depending on what was written here,
I thought I would put it out on the net and kill you in a societal sense
?
Hm.
But it's pretty good,
Hmph
which is boring.

Ah!
But about this part, right here
Eh?
Point

...Good?
Yeah.
This won't start any flaming
Sigh

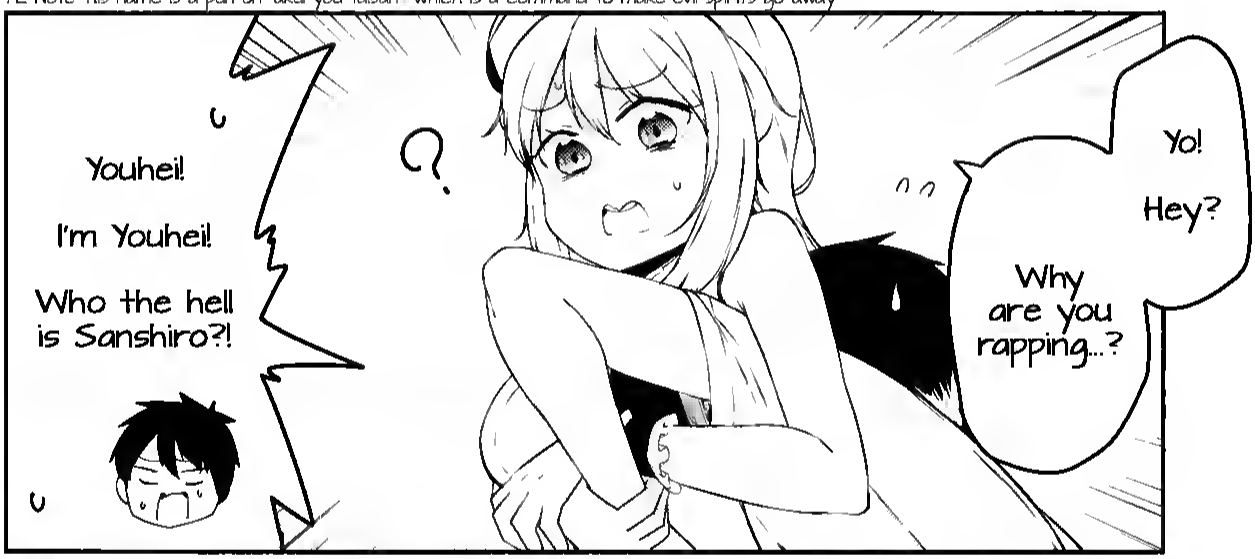
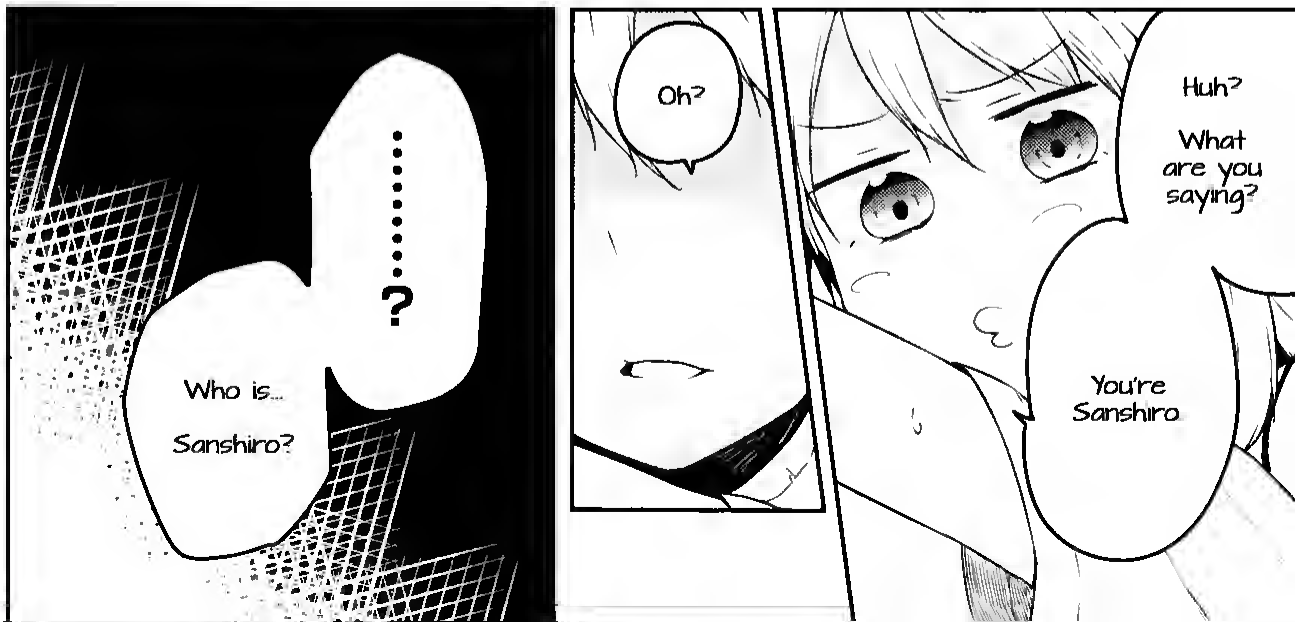
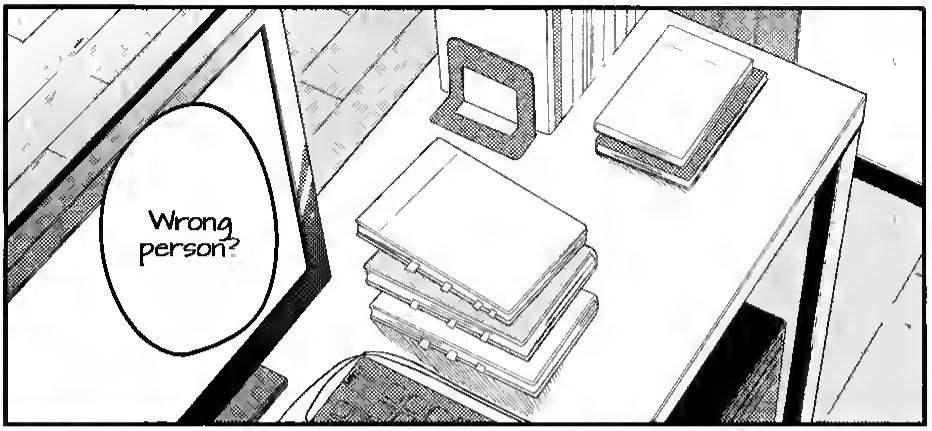
Akuryoutai ☆ Sanshiro?!
My name is Oomori Youhei!
Prepare yourself! Akuryoutai ☆ Sanshiro!
Hahahah
I'll kill you just like this!

TL Note: His name is a pun on "akuryou taisan" which is a command to make evil spirits go away







Wrong person?

Dunno?
I can't remember.
Huh?

That's a really dumb name.
Huh.?
Eh?
Is there actually a Akuryoutai ☆ Sanshiro?
Hmmm.

What_ so you lost your memories?
Hmm.
What was it?
I know I came here looking for a computer in this house.
more

Wait, you should have noticed you had the wrong person based on the account name!
And anyway, if you've got the wrong person, then fine!
Go away!
No...
more

Once I've gotten going...
I'll do my best!
Why?!
I've gotta go to the end!
Get out!
FWAP

Also, I'm hungry.
You have any food?
Passes on in my stomach.
I've got nothing to give you!
Wait, you eat food?!
What happens to it?
Why don't you pass on!?

Woo
I can't get out of here, anyway.
Urgh.
